## Payment Plans

Tuition may be paid in full, divided into quarterly payments or into monthly payments (international students must pay in full or quarterly; monthly payments are not available). There is no extra charge for a payment plan. The first payment is due on or before registration. Subsequent Quarterly Plan payments are due on the first (1<sup>st</sup>) day of the month, either monthly or quarterly depending on payment plan selection. Subsequent Monthly Plan payments are due on the first (1<sup>st</sup>) day of each month. Students are granted a five (5) day grace period on payments. After the 5<sup>th</sup> day, a \$50.00 late fee is imposed. If payment is not received by the 8<sup>th</sup> day, the student will be dismissed from the program. International students are charged an additional \$100 to cover costs in shipping I-20 form for their F-1 visa application (refunded if not accepted into the program).

(supersedes catalog page 16 and 25)

**CLB1420 The Collaboration Project**

2 Credit Hours / 14 Clock Hours

Prerequisites: **All Level Three Courses**

## **Transfer of Credit to Icon**

Official transcripts and syllabi as well as examples of the work completed for that course from the college where the credit was earned will be used to determine comparability and must be sent to the school prior to the class start for the purposes of determining transfer of credit opportunities. Due to the unique nature of the courses that Icon offers, it is unlikely that any single course from another institution will cover the same competencies as a course from Icon. For this reason, the more information about the contents of the course that can be provided the better Icon will be able to evaluate transferability. Icon Collective will maintain a written record of the previous education and training of eligible persons, this record will indicate that credit has been granted, if appropriate, with the training period shortened proportionately and the student notified accordingly. All decisions as to transferability are made solely at the discretion of the Director of Education and are final. Students with degrees from non-U.S. colleges and universities must submit official translation and an evaluation prepared by a National Association of Credential Evaluation Services (NACES) or Association of International Credential Evaluators (AICE)-member organization. Transcripts received after the student's first term of attendance at the school may be considered for transfer credit by the Director of Education.
